Gateway Community Garden, Inc. is a 501C3 not-for-profit and welcomes donations, which are deductible to the full extent of the law.

2023 Application/Renewal & Responsibilities

The Gateway Community Garden, a Not-For-Profit, 501c(3) organization, is governed by a Board of Trustees and maintained by gardeners. Garden beds are free, however to help cover garden expenses such as tools, mulch, plants, insurance, hoses, etc. we must request a \$25.00 donation. Please donate to the extent that you are able.

The following are the responsibilities that all gardeners are required to meet to have and keep their bed.

- ❖ All gardeners are required to **maintain their own beds and mow or weed-whack the paths around their beds.**
- ❖ On the **third Saturday of each month** during the growing season (April-November) the Garden holds a general 3-hour work day. All gardeners are required to participate in general work at the Garden on that day to satisfy this work commitment. If you cannot attend on the third Saturday, your 3-hour work commitment must be satisfied at alternative times during the season.
- ❖ If you are incapable of meeting this 3-hour monthly commitment, then we must request an additional fee of \$35 minimum contribution to offset the cost to the garden to pay others to maintain the communal areas. (This Does Not Apply to the LIC Veteran beds. They must volunteer time).
- ❖ Each row of beds will be assigned a task such as weeding flower/pollinator beds, mowing grass, weed whacking, shed cleaning, composting work or taking trash to the curb. Contact Barbara at: bwildfir@gmail.com or Tom at: tjmack55@yahoo.com
