Gateway Community Garden, Inc. is a 501(C) (3) non-profit and welcomes donations, which are deductible to the full extent of the law.

2026 Application/Renewal & Responsibilities

The Gateway Community Garden, a non-profit, 501(c)(3) organization, is governed by a Board of Trustees and maintained by gardeners. Garden beds are free, however to help cover garden expenses such as tools, mulch, plants, insurance, hoses, etc. A \$25.00 donation would be appreciated. Please donate to the extent that you are able.

The following are the responsibilities that all gardeners are required to meet to have and keep their bed.

- ❖ All gardeners are required to **maintain their own beds and mow or weed whack the paths around their beds.**
- ❖ On the **third Saturday of each month** during the growing season (April-November) the Garden holds a general 3-hour workday. All gardeners are required to participate in general work at the Garden on that day to satisfy this work commitment. If you cannot attend on the third Saturday, your 3-hour work commitment must be satisfied at alternative times during the season.
- ❖ If you are incapable of meeting this 3-hour monthly commitment, then we must request an additional fee of \$35 minimum contribution to offset the cost to the garden to pay others to maintain the communal areas.
- ❖ Please compost as much garden waste as you can (but absolutely no weeds) cut it into small pieces and add it to the compost bin next to the soil bin. Non-compostable weeds and garbage should be bagged and taken to the curb or put in a garbage can. Please move garbage cans to the curb for pickup by the Town. Do not overfill the bags or cans. Pick up is 4:00 pm Monday -Saturday
